NATURAL SUPPORTS

COLLECTIVE IMPACT describes an intentional way of working together and sharing information for the purpose of solving a complex problem.

PROBLEM STATEMENT: The lack of access to safe, accessible, affordable housing and transportation can limit and prevent adults with high needs from living in the community with independence.

PROBLEM STATEMENT: The lack of access to safe, accessible, affordable housing and transportation can limit and prevent adults with high needs from living in the community with independence.

Limited transportation options

Restrictive home repair programs

Lack of affordable housing
